107 Exclusive High-Definition Un-Cropped Fabric Combinations

ABOUT UP TO DATE

UP TO DATE is a premier fashion fabric house specializing in high-grade plain combinations, suitings, and shirtings. We combine traditional tailoring excellence with modern shaded color combinations for gentlemen's formal and festive fashion.

VISION STATEMENT

To lead the fashion fabric industry by delivering 100% authentic, color-fast, and luxury-textured plain combination fabrics that inspire master tailors and fashion retailers across the country.

MISSION STATEMENT

Our mission is to ensure perfection in fabric shading, un-compromised material quality, and rapid order fulfillment across our exclusive 107-design Plain Combination 2026 Collection.

1. SHADING & CONTRAST PAIRING

Each design in our Plain Combination collection features a harmonized shirt-to-trouser contrast ratio. High contrast combinations deliver executive authority, while pastel tones provide subtle luxury styling.

2. PREMIUM TEXTURE & WEAVE

Crafted using long-staple compact cotton and premium poly-viscose yarns, providing wrinkle recovery, breathability, and soft drape for year-round wearability.

3. AUTHENTIC DESIGN CODING

Every design is labeled with a unique code (UTD-PC-001 to UTD-PC-107) stamped directly on the frame for instant wholesale ordering.
